

Thank you for the donation that helped us go the Regionals in Union City, TN. While our team did not win the tournament, they played very well and did an excellent job of representing our area. Opportunities like this don't come along in every baseball player's career so it was very special for the coaches, parents, and the players to be a part of it. Without the support of our community the trip would have most certainly been a financial burden and made the trip less enjoyable. Thank you so much for your generosity that allowed us to go and make some great memories!!!

The Coaches, Parents, & Players of the Santa Fe Rowdy Raiders
