

Winning for the first time

Jim Brown Roofing T-Ball won their championship, and the team did so with only one member having played organized T-Ball in the past.

Even the coaches were rookies, and the team even had a "mascot" in Colby Blake who was too young to play but attended and worked out at every practice.

"I was the team mom this year and must say the children were wonderful and had a blast!" Jenny L. Swallows said. "The (championship) game went into overtime as a result of a 3-inning tie."
